A ballot drop box provides a secure and convenient means for voters to return their by mail absentee ballot. A drop box is a secure, locked structure operated by local election officials. Voters may deposit their ballot in a drop box at any time after they receive it in the mail up to the time of the last ballot collection Election Day.

This document is intended to provide information and guidance on drop box options for secure absentee ballot return for voters. The information has been adapted from a resource developed as part of the Cybersecurity and Infrastructure Security Agency (CISA) Elections Infrastructure Government Coordinating Council and Sector Coordinating Council's Joint COVID Working Group.
